§ CAUSE # 200442

§ DEMAND FOR JURY TRIAL

§

§

§

§

**MOTION TO AMEND ORDER AND JUDGMENT**

Plaintiff JOHNNY SATURN files this Motion to Amend Order and Judgment pursuant to FED.R. CIV. P. 52(b), 59(e) or, in the alternative, FED. R. CIV. P.60 and respectfully asks the Court to amend its Order and Judgment dismissing his claims against Defendants A.B.I.A. to re-open the case for the purpose of adjudicating his claim for damages resulting from damages accrued as a result of Defendant A.B.I.A. and its travelers and employees and contractors wrongful doing in support of this Motion, Plaintiff JOHNNY SATURN state the following:

**Facts**

1- On May 18<sup>th</sup>, 2020, the Court issued it Order and Judgment, denying Plaintiffs' Saturn Default Judgment and interest to seek relief for damages accrued and granting the defendants' motions to dismiss on the ground of Plaintiff's Saturn complaint is being frivolous. In its Order, the Court did not recognize that the plaintiff Saturn was previously discriminately profiled as illegal immigrant while he was U.S. Citizen.

2- However, the Court did not address the issue of outstanding damages sought by Plaintiff Saturn. Plaintiff Saturn now seeks an order from the Court reopening his case awarding him

damages in the Requested amount.

### Argument

I. Standard of Review Under FED. R. CIV. P. 59(e), a party may file a motion to alter or amend a judgment no later than 10 days after entry of the judgment. Motions to amend or alter the judgment should be granted when there exists “a manifest error of law or fact, so as to enable the court to correct its own errors and thus avoid unnecessary appellate procedures.” *Meghani v. Shell Oil Co.*, 2000 U.S. Dis. LEXIS 17402 \*2, (S.D. Tex. Aug. 24, 2000) (citing *Divane v. Krull Elec. Co., Inc.*, 194F.3d 845, 848 (7th Cir. 1999) (internal citations omitted)); see also *Kyle v. Texas*, 2006 WL3691204 (W.D. Tex. Oct. 31, 2006) (granting a motion to reconsider under FED. R. CIV. P. 59(e) and reversing the court’s previous denial of a motion to remand based on a manifest error of law)). A court has discretionary authority to amend its prior decision. See *Weber v. Roadway Exp., Inc.*, 199 F.3d 270, 276 (5th Cir. 2000). Fed. R. Civ. P. 60(a) further provides that “[t]he court may correct a clerical mistake or a mistake arising from oversight or omission whenever one is found in a judgment, order, or other part of the record. The court may do so on motion or on its own, with or without notice.” Under Fed. R. Civ. P. 60(b), the Court may relieve a party from a final judgment or order if a mistake was made or any other reason that justifies relief.

II. The Court’s Order and Judgment did not Address State Defendants’ A.B.I.A. Failure to pay Plaintiff Saturn Damages for creating situations in every international airport and foreign country as defamatory public speech and slandering were witnessed by this City of Austin local police and every else international airport local police and every else foreign county local police and Airport Police officers in every International airport and in Montreal Quebec Canada where defamatory public speech slandering were made in crowded busy public tourist downtown. Plaintiff Saturn causes of action included a claim based on national origin discrimination under Title VI and a request for actual and compensatory damages against the defendant entities. See Second Am. Compl. at 18 (Dkt. No. 54). Title VI of the Civil Rights Act of 1964

prohibits discrimination in federally-assisted programs and permits a claim for compensatory damages.

See 42 U.S.C. § 2000d; see also *Alexander v. Sandoval*, 532 U.S. 275, 279 (2001) (holding that private individuals may sue under Title VI to obtain both injunctive relief and damages).

The U.S. Airports are considered federally assisted programs airports.

Article III of the U.S. Constitution prohibits courts from ruling on nonjusticiable controversies, including cases in which the controversy has become unsolved. See *Flast v. Cohen*, 392 U.S. 83, 95 (1968). However, a case involving a claim for damages that has yet to be determined is not moot. See *Gulf Pub. Co. v. Lee*, 679 F.2d 44, 46 n.2 (5th Cir. 1982) (“Claims for money damages ordinarily prelude a finding moot unless the parties have settled the case.”); see also 13A Wright, Miller & Cooper, *Federal Practice and Procedure* § 3533.3 at 262 (2d ed. 1984) (“Damages should be denied on the merits, not on grounds of mootness.”). Even in cases where one of the several issues presented becomes moot, the remaining live issues fulfill the constitutional requirement of a case or controversy. *Powell v. McCormack*, 395 U.S. 486, 497 (1969).

III. As discussed in Plaintiffs’ Partial Motion for Summary Judgment suspect conspiracies from defendant A.B.I.A. with ex homeowners and ex classmates and ex Starbucks baristas and workers of National Instrument company among many else I.T. engineers, and lawyers. The plaintiff Saturn has restated the two paragraphs which were considered delusional and incomprehensive by Magistrate Judge.

The Court need not reach the issue of mootness or unsolved issued with no access to appellate court nor with no access to Jury Trial until the damages claimed can be settled or resolved on the merits. Accordingly, Plaintiff Saturn requests that the Court amend its Order and Judgment dismissing Plaintiff Saturn claim as unsolved or dismissed with prejudice as frivolous and to reopen the case in order to adjudicate Plaintiff Saturn requested damages.

#### **Prayer**

WHEREFORE, Plaintiff Johnny Saturn demand that this Motion be granted, and the Court amends its Order and Judgment in accordance with the above-requested relief.

DATED: May 19, 2020

Respectfully submitted,

Johnny Saturn

Johnny Saturn is a respected professional, and he has spent his life building a positive reputation. Nevertheless, we have been informed that you have been maliciously spreading harmful defamatory public speech after you had intruded our ex leased residential house while slandering harmful public defamatory speech words that are damaging to the complainant personal and professional character.

It is unlawful for an individual to make criminal slandering, defamatory public speech, criminal stalking and intrusion which intend to harm the reputation, health and character of another party.

It has been defined in law school that stepping over the lawn area by placing one foot on the lawn from the sidewalk is intruding. Y'll employee Mohammad Raeid had showed up on the street driving y'll Time Warner van at noon of May 29, 2010. Y'll employee Mohammad Raeid had parked y'll company van on the road in parallel to a car which was park at the neighbor end of house border. He had stepped out of the van in the middle of the road, walked off to the kitchen window while intruding the front yard by many feet than he had walked back to his van. While he was walking back to his van, he had seen me walking to the corner of the house to find out what he was trying to accomplish by walking to the backyard fence border where the AC unit is at, under the kitchen window. Y'll employee Mohammad Raeid had slandered me what could mean:" Good it happened to you, or you deserve it." I had an intruder that early morning or overnight who had intruded my ex leased house and thrown poison on me while sleeping. The intruders had obtained my leased extra ex-home keys copies from the Ex-Home owners couple while utilizing wireless gps tracker and satellite sabotage.

Reporting that the complainant was Kristen Indiana stalker has never been true. Reporting the complainant had made Car bomb in his car while it was parked in his parent house garage, but the said ended up being rumors as slandered in the ABIA. by a short White skinny lady of black eyes and black hair on May 16, 2010 at 04:35 am. should not has existed. However, because it should had existed in Starbucks to serve the interest of Kristen Indiana barista public defamatory speech and libel, y'll Spectrum company by its employees and contractors should have committed libel, defamation, criminal slandering and conspiracy while such rumors were going on in the Airport. Y'll employee Mohammad Raad from Lebanon had showed up driving y'll company van during his time of employment working hours. Therefore, y'll company had directly committed offenses.

**If you do not cease all related criminal slandering, defamatory public speech, online libel, criminal gangs stalking, intrusions, hacking, violations to federal privacies laws, possibly being involved in utilizing bio-nuclear clouds, illicit WI-Fi**

**In addition, this shall serve as pre-suit letter demanding that y'll provide us written assurance by May 14, 2020 that y 'll will cease and desist from making further defamatory public speech slandering and criminal gangs stalking.**

**If you do not comply with this cease and desist letter by the aforementioned date, a lawsuit may be filed in the appropriate Federal Court of proper jurisdiction seeking monetary damages as well as pursuing all available legal remedies for y'll criminal defamatory public speech slandering and criminal stalking.**
